## **Ephesians 4.17-5.14** *our new life as the children of God*

**Pray**

**Read the passage together.**

1. What do we learn of our new life in vv17-24?

2. In the Bible talk we went some time considering the impact of our new life in Christ on 4 broad areas.

**For each area:**

(1) point each other to the relevant verses;

(2) discuss together how that impact might work itself in your lives. *Don't talk about other people. Talk about yourselves in your situations. Be practical & specific. Help each other work out how to live out these commands.*

**a. Speaking**

**b. Forgiving**

**c. Loving**

**d. Being holy**

*Pray together about these things.*
