4. **Enterprise Edition:** You may install this software product on any number of DotNetNuke® Portals on any number of production web server installations of DotNetNuke®. You may also install this software product for testing purposes on any number of DotNetNuke® Portals on localhost.

Please note:

- The Trial Edition doesn't need a registration key.
- Test the Trial Edition first. Make sure it meets your needs. If you like it, purchase a suitable paid Edition 😊. Keep us off the streets so we can develop more great modules for you!
- The display of your registration key will be blanked for security purposes. However your module will remain registered. This can be verified via the text description below the key.
- You only need to enter your registration key the first time you use the module on your site.
- Registration key entry is Case Sensitive so check your caps lock please.
